Let's not be invisible to the needs of the children and youth who live in our community.

Proceeds will directly benefit the foster children and youth through our innovative "Cultural Enrichment Initiative" that provides opportunities to experience arts and culture. Children placed with Knotts Family Agency will be sponsored to participate in a variety of special activities such as sports, book clubs, music lessons, music festivals, trips to museums and art galleries. We aim to serve a minimum of 50 children. The enhanced cultural exposure will have a significant positive impact on our children's lives.
